

# IT Certification Career Combo Levels 2010

ICOM has various IT Combos for you to start your IT career. These programs are very cost effective way of getting your training done. See the lists of packaged levels below and contacts us for more specific details to your choice.

**BOOK & PAYRATES** are more attractive as you can buy more courses for less. Individual prices are higher  
You can purchase courses individually, but the saving is in the Combo plan!!!. **All prices are inclusive of 10% GST.**  
**Important: Book & Pay Combo packages are not refundable, but transferable.**
